Spring Cleaning Checklist

AUTOMATICS

The Furies use Green Seal certified products & Mieli vacuums with HEPA filters to give your house that just cleaned feel. For all spring cleanings we vacuum, de-cobweb, and dust your entire house from the top to the bottom. We pull out all the furniture (within reason), to clean underneath and get to those seldom seen parts of your house where dust & dead bugs collect. We vacuum under couch cushions, and inside empty dresser & vanity drawers. We wash baseboards, windowsills, and wash the floors! Clean the Bathrooms! In the Kitchens we clean the refrigerator, stove, oven, appliances, countertops, cabinet doors, and sinks. We wipe all open shelving and wash any exposed dishes.

Please have the water turned on at least 2 weeks prior to the date that the cleaning should be completed by. If we have to turn on the pump or water tank ourselves a \$45 fee will be assessed.

EXTRAS

___ Wash: Interiors of kitchen cabinets: shelves, doors, etc. We remove items shelf by shelf as we go and put them back. **If there have been mice, this will become an automatic.**

___ Wash: Pans, dishes, and silverware that is stored inside cabinets and drawers. **If there is any evidence of mice, this will become an automatic.**

___ Wash: Bathroom vanities: inside drawers and underneath sinks.
