Greetings from Cape Cod!

## *Planning Ahead...*

In the midst of winter, we are looking forward to the long sunny days of summer with friends & family enjoying all that Cape Cod has to offer. As you may know, The Furies has been proudly serving Cape Cod since 1985. We are grateful to have earned your trust and to have the opportunity to meet your needs in 2017.

## *Steam Cleaning Carpets & Upholstery*

We are proud to announce that Hydro Power Steam Cleaning is now officially part of The Furies Team! We use an eco-friendly hot water extraction cleaning process, that will leave your carpets or upholstery looking like new! This process is extremely effective at removing deep dirt, bacteria, and stains to give you a fresh feel for your home. We use a self-contained truck-powered steam cleaning system to clean your home or business.

- Wall to wall carpets
- Area rugs
- Upholstery
- Sectional couches
- Pet stains and smells

Contact us today (508)-349-0025 to book your steam clean!

## *Year-Round Cleanings*

We are open and available to clean year-round!

- Our cleaning teams are available Tuesday through Saturday in the winter.
- Off-season office hours are 8:00 am to 3 pm Tuesday to Friday and Saturday from 10 am to 2 pm.

So even if you need a cleaning once or twice during the off-season, be sure to contact us (508)-349-1145 and schedule a cleaning. We are familiar with your property. For more information on our cleaning services visit [furiescapecodcleaning.com](http://furiescapecodcleaning.com).

## *Spring Cleanings*

Enclosed is our spring cleaning checklist for you to review. Return your checklist as soon as possible to ensure a spot on our busy spring schedule. If you have any special requests or questions, please let us know by using the space on the back of the checklist. This allows us to customize the cleaning to your specific needs and to schedule the appropriate amount of time. **We require a signed copy of the checklist and a \$250.00 deposit for all spring cleanings.** If we do not already have your credit card on file, this is a good time to provide it to us.

- Return your spring cleaning checklist with a deposit to have your cleaning scheduled.
- Narrow driveway? Please ensure that it is brushed out before your first cleaning. The last thing your tenants or we want is to gouge our cars with any protruding branches.
- If you have had the water or electricity turned off over the winter, arrange to have it turned on about two weeks before your “clean by” date. A \$50 fee will be assessed if we need to turn on the pump, water tank or electricity.

## *Other Services*

Are dirty windows spoiling your view? Let us know and we will schedule window washing for your house. Typically, we schedule window cleanings after pollen season. Estimates are available on request.

If you or anyone you know is planning a trip to Cape Cod and needs sheets and towels let them know about our linen rental services. We offer doorstep delivery seven days a week. Orders can conveniently be placed through our website [furiescapecodlinenrentals.com](http://furiescapecodlinenrentals.com) or over the phone at (508)-349-1141.

- Window washing a gutter cleaning.
- Rental Changeover/Turnover cleaning service.
- Linen Rentals
- If you are interested in changeover cleaning services, please contact us today so we can send you the appropriate information.

Thank you again for the opportunity to serve your needs. We look forward to seeing you soon. Please feel free to stop by our conveniently located office or contact us anytime.

Best wishes for a happy, healthy & prosperous 2017.

Sincerely,

*Steven Lam, Ryan Curley, Kate Govedarova*  
*& the Furies Team*
