Spring Cleaning Checklist

OUR STANDARD SERVICE OFFERING

The Furies uses Miele vacuums with HEPA filters, as well as many chemical free cleaning products to give your house that just cleaned feel. For all spring cleanings we;

- De-cobweb, dust & vacuum your entire house from top to bottom.
- We move furniture, within reason, to clean underneath and get to those seldom seen parts of your house where dust and dead bugs collect.
- We vacuum upholstered furniture, inside closets, and empty dresser and vanity drawers.
- We wash baseboards, windowsills, and all floors. The bathrooms are cleaned. In the kitchens we clean the refrigerator, stove, oven, appliances, countertops, cabinet doors, & sinks. All open shelving & exposed dishes are washed as well.

Please remember to have the water turned on at least 2 weeks prior to the date that the cleaning should be completed. If we have to turn on the pump or water tank ourselves, a \$50 fee will need to be assessed.

CHECK OFF ANY ADDITIONAL ITEMS
