

The Furies

POST CONSTRUCTION CLEANINGS

The Furies does a complete, customized effort for each post-construction cleaning. Below is a list of how we approach the project. Our clear objective is to have your house clean and ready to move in.

Throughout the house:

- Decobweb high places and corners
- Dust ceiling fans (may be some height restrictions)
- Wipe windowsills, baseboards, heat registers
- Dust blinds upon request
- Dry mop walls & wherever dust may settle!
- Wipe switchplates, woodwork as needed
- Dust picture frames
- Clean mirrors, shine any other glass
- Wipe tops of light bulbs, clean lamps and lampshades
- Empty trash and clean trash cans
- Do a general straightening throughout
- Vacuum underneath the edges of rugs, vacuum rugs and carpets
- Vacuum, mop, and towel dry the floors
- Wipe out window wells as needed

Kitchen:

- Clean all appliance exteriors (interiors upon request with office)
- Shine the fronts of ovens, dishwashers, refrigerators
- Clean interior and exterior of microwaves and toaster ovens
- Clean tables and chairs
- Disinfect countertops and backsplash, wipe cabinet fronts
- Shine the fronts of ovens, dishwashers
- Scrub and disinfect sinks (dishes if needed)

Bathrooms:

- Scrub, disinfect and shine tub and shower surrounds or tiles
- Disinfect toilets inside and out, as well as adjacent walls
- Clean exposed vanity lights, clean mirrors
- Disinfect vanity tops and backsplash
- Wipe cabinet fronts
- Scrub and disinfect sinks
- Shine chrome fixtures

Bedrooms:

- Dust all furniture
- Vacuum inside closet if accessible
- Be sure to vacuum under the bed(s)

Other living areas, hallways and stairs:

- Dust furniture and any flat surface
- Vacuum all upholstered furniture
- Straighten and plump cushions and pillows
